Live Grow Discover

## 2016-17 SHOPPING & SERVICES GUIDE

## *A message from Mayor Ostenburg...*

---

It may not be easy to “shop until you drop” in Park Forest because of a limitation in the number of retail businesses that are located in our community, but believe me when I say that more than adequate opportunities do exist for our residents to shop locally!

It’s the purpose of this directory to make it easier for Park Foresters to take advantage of local outlets for the purchase of goods and services. While we may not have an abundance of “big name” retailers in our town, we nonetheless have excellent businesses that are at the ready to give outstanding services to those who engage with them.

Just recently, for example, I was chatting with the owner of SomeWear Apparel & Tailoring, a local clothing store. In our discussion, we traced great opportunities for persons planning weddings or other formal affairs. In addition to selling items of clothing, SomeWear rents formal wear for proms, weddings, and other occasions. As our conversation progressed, we talked about the Dining on the Green Banquet Hall directly across the street from SomeWear in DownTown Park Forest and how it often is used for weddings, which are occasions that most often require formal wear. We also talked about the fact that we also have another local banquet hall, and local caterers who handle such events, and local event planners, and local photographers, and local decorator services, and a local limo service, etc., etc., etc., all of which often are key elements for weddings and other such formal events. And guess what? All of those businesses are listed in this directory!

The above is just one example of how this little booklet you’re holding in your hands opens the door for unlimited shopping opportunities for you and your fellow Park Forest residents. I recommend that you use it wisely and extensively as you search for merchants who can meet your retail and service needs.

***Happy shopping in Park Forest!***

**John A. Ostenburg**  
*Mayor*

*Manage Your Subscriptions to Alerts, News Flashes, Bid Postings,  
 Government Jobs, Committee Calendars, Agenda Center and More!*

The villages of Matteson, Olympia Fields, Park Forest and Richton Park provide an emergency notification system to its residents in the event of emergency when critical information must be communicated. The CodeRED Emergency Notification System is an ultra high-speed telephone communication service designed to deliver emergency messages and distribute information considered to be important.

This system allows targeted areas of the Village, or the entire Village, to be notified within minutes with a pre-recorded message describing the situation. When necessary, you will be given specific instructions which may require immediate action on your part.

To register for this service, please visit the Village website and click on the *Code Red Emergency Notification* icon at the bottom of our home page.
