Looking for a way to barbeque all that food at your next outing? Consider renting our Super Cooker.

The giant charcoal grill consists of a 2' x 5' cooking surface which is sure to handle the largest of group appetites.

This unit will cook 50 hamburgers, 200 hot dogs or 30 steaks. The super cooker is mounted on a two-wheeled trailer and will be delivered to one of Park Forest's parks or to your personal residence in Park Forest. No self pick-up allowed.

### Super Cooker Preparation

If you are planning to utilize the entire cooking surface, approximately 1 large bag of charcoal will be required for a good coal bed. Make sure coals are good and hot before starting (approximately 45 minutes to one hour). The amount of coals that will be required varies according to the amount of meat and the number of times the cooker is opened. Cooking times will be less than on an open grill. Extra coals may be added by raising the cooking rack. Raise the cooking rack if the cooking temperature is too high.

### Cleaning

Cooker must be cleaned after use. Metal grate should be cleaned with a stiff wire brush. Hot coals must be extinguished before placing them in designated containers.

### Reserving the Cooker

You can reserve the cooker at the Recreation & Parks Department. An Equipment Permit is required and full payment is due at time of reservation. Full payment is due at the time of reserving the permit. We accept cash, check, money order, Visa, Master Card, Discover and American Express. A \$35 fee will be charged for returned checks.

**Fee: \$60.00 (includes delivery).**

Equipment Permits are subject to a 5% cancellation fee. Please Note: Super cooker cannot be delivered outside of Park Forest. No self pick-up allowed.
