Dear Park Forest Resident:

Congratulations! Your property has been judged a 2021 Beautification Award winner!

Earlier this summer, residents were asked to nominate any home or business that they considered to be an outstanding example of careful maintenance and good stewardship. Your property was subsequently judged by the Beautification Awards Committee members and volunteers and was determined to exhibit the curb appeal deserving of an award.

Thank you for your efforts to make Park Forest a more beautiful Village to Live, Grow, Discover!

Sincerely,

Susan Blatchford, Chair
Beautification Awards Committee

2021 BEAUTIFICATION AWARDS

What are the Beautification Awards?

Award certificates are presented annually to residents and commercial operators whose properties are judged to be excellent examples of good maintenance and visual appeal.

Who gives the awards?

The Beautification Awards Committee, now in its 48th year, oversees the annual surveying and judging of properties. On hiatus from 2014-2018, the Committee was restored and streamlined in 2019.

How are the award-winning properties identified?

Properties are nominated by the public; self-nominations are strongly encouraged. Committee members and volunteer judges then survey and judge the nominated properties.

What are the requirements to win a Beautification Award?

Surveyors and judges look for properties that show continuing maintenance, reflect care and enhance the neighborhood.

Properties do not need to be expensively landscaped but the existing landscaping should be in well maintained and in good health. Flowers are desirable but not essential. Lawns must show care although they do not need to be weed free or look green during drought. Shrubs must be trimmed or pruned. Flowerbeds and planters should be weed free. Dead trees, unless improved to enhance the property or trees with sucker growth will disqualify a property. Weeds in gutters, cracks or driveways, sidewalks or along curbs will also result in a disqualification.

Homes and structures on the property must be in good repair. House numbers must be present and unobstructed. Structural or landscaping projects underway during the judging do not disqualify any property if other evidence indicates award-winning qualifications.

Ordinance violations will result in disqualification. Some common violations that disqualify a property are peeling paint, hanging gutters, damaged siding, broken windows, fences in need of repair and illegally parked trailers, boats and RVs. Please contact the Building Department at Village Hall for more information regarding the Village Code of Municipal Ordinances.
