CONGRATULATIONS

July 2024

Re: Park Forest Beautification Awards

Dear Park Forest Resident:

Congratulations! Your property has been judged a 2024 Beautification Award winner!

Earlier this summer, residents were asked to enter any home or business that they considered to be an outstanding example of careful maintenance and good stewardship. Your property was subsequently judged by the Beautification Awards Committee members and volunteers and was determined to exhibit the curb appeal deserving of an award.

The Beautification Awards Committee would like to offer you the option of a "2024 Beautification Award Winner" yard sign that can be displayed later this summer or next spring. If you wish to have a yard sign, please pick up at Village Hall on August 12th between 4:00pm and 8:00pm. Signs will be limited and available WHILE SUPPLIES LAST. Any remaining signs may be picked up beginning August 13th at the Recreation, Parks & Community Health Department customer service counter at Village Hall.

Thank you for your efforts to make Park Forest a more beautiful Village to Live, Grow, Discover!

Sincerely,

Susan Blatchford
Chair-Beautification Awards Committee

WHAT ARE THE BEAUTIFICATION AWARDS?

What are the Beautification Awards?

Award certificates are presented annually to residents and commercial operators whose properties are judged to be excellent examples of good maintenance and visual appeal.

Who gives the awards?

The Beautification Awards Committee, now in its 51st year, oversees the annual surveying and judging of properties. On hiatus from 2014-2018, the Committee was restored and streamlined in 2019.

How are the award-winning properties identified?

Residents enter properties that they deem worthy of judging by the Committee. Entering one's own property is strongly encouraged. Entry forms will be available online and at Village Hall beginning June 1, 2024.

Single and multi residences as well as businesses and public buildings are all eligible to be entered. Committee members and volunteer judges then survey and judge all entered properties.

Note: Only those properties that have been entered will be considered for an award.

BEAUTIFICATION AWARDS REQUIREMENTS

What are the requirements to win a Beautification Award?

Surveyors and judges look for properties that show continuing maintenance, reflect care and enhance the neighborhood.

Properties do not need to be expensively landscaped but the existing landscaping should be well maintained and in good health. Flowers are desirable but not essential. Lawns must show care although they do not need to be weed free or look green during drought. Shrubs must be trimmed or pruned. Flowerbeds and planters should be weed free. Dead trees, unless improved to enhance the property or trees with sucker growth will disqualify a property. Weeds in gutters, cracks or driveways, sidewalks or along curbs will also result in a disqualification.

Homes and structures on the property must be in good repair. House numbers must be present on the home and/or unobstructed. Structural or landscaping projects underway during the judging do not disqualify any property if other evidence indicates award-winning qualifications.

Ordinance violations will result in disqualification. Some common violations that disqualify a property are peeling paint, hanging gutters, damaged siding, broken windows, fences in need of repair and illegally parked trailers, boats and RVs. Please contact the Building Department at Village Hall for more information regarding the Village Code of Municipal Ordinances.

Congrats!
